

EXHIBIT 20

1. My name is Dervi Garcia Perez. I am
2 from Guatemala. I am currently detained
3 at Victorville II. I've been detained here
4 since June 9, 2018. My A# is 205645670.

5. ~~Now~~ I am waiting to be deported to
6 Guatemala. I arrived to the U.S. on
7 June 4, 2018. When I crossed the border
8 I was badly injured after being thrown
9 from a truck by the driver. At that
10 point, I was arrested by Border Patrol
11 and taken to a holding cell in Agua
12 Prieta, AZ. I was there for a few
13 hours and then taken to a hospital
14 for treatment. I was at the hospital
15 for two hours where they did some
16 Xrays and exam of my leg. ~~The~~ My
17 leg was not fractured so I was released
18 back to Border Patrol. The hospital
19 gave me medication for pain.

20. Border Patrol transferred me to a
21 jail in Douglas and then Tucson, AZ.
22 Eventually I was taken to an ICE
23 detention facility in Florence, AZ.
24 I was detained there for 3 days.
25 before being transferred to Victorville.
26 4. While I was detained by Border
27 Patrol and ICE, I was given my
28 medication for pain. At Victorville I

1 have not been given medication for
2 pain.

3 5. The treatment in Florence was very
4 different than at Victorville. They
5 gave us much more food and at
6 least 15 minutes to eat. At Victorville
7 we are only given 5 minutes to eat, not
8 enough time to finish our meals. We
9 are not given enough food at Victorville.
10 For breakfast we are only given a
11 small amount of oatmeal, a packet of
12 powdered milk, a piece of fruit and
13 a piece of bread. I am often hungry
14 soon after meals.

15 6. In Florence we were not locked in our
16 cells and were allowed to access
17 common areas with televisions and
18 games. Only in the last two weeks at
19 Victorville have we been given access to an
20 outdoor area and access to a common
21 area w/ television and games. We
22 now have access to some books.

23 7. There was a man in my housing
24 unit who had a serious footache.
25 He asked for medical attention for eight
26 days but no one came to see him. He
27 had to try to relieve the pain on his
28 own.

1 8. I have gastritis and take medication
2 for pain in my stomach. While I
3 was in ICE detention in Florence I
4 was given medicine for gastritis.
5 When I was transferred to Victorville
6 I was allowed to bring my medicine on
7 the bus. The medicine only lasted about
8 15 days and has not been refilled
9 since I've been detained in Victorville.

10 9. I'm not sure how to request more
11 medicine or to see a doctor. Most of
12 the people in medical speak English and
13 I can't explain what I need. I've now
14 been detained at Victorville for about 25 days
15 without my medication.

16 10. I do not know where my property is since I
17 was transferred to Victorville. When I crossed the
18 border I had a bank card, a rosary, cell
19 phones and a hat. I asked an ICE officer
20 and was told my property was lost. Another
21 told me it was in Florence. I would like to
22 have my belongings returned to me.

23 I swear that the foregoing is true and to the
24 best of my knowledge.

25 Signed July 18, 2018 in Victorville, CA.
